#NOHOMO

(Even with this title)

Through no fault of author's own there's a possibility some people will get offended by it.

If you might get offended by our story we won't stop you from leaving. The "close tab" button's right over there.

However if you're cool with that then let's proceed to the story!

Read it at your own risk!
You have been warned!

Why now?
I'm already late for a week. If I don't pay it, the fine will keep increasing.

Look who's having a DATE in the cafeteria!
Anggi's been searching for you for a while now, Brian.
I should've known that if you aren't in class, you must be with Ditya.
HA-HA
Hey, this is a public cafeteria.
